LEAD TIME

6-8 Weeks

Lead times are approximate and can vary based on quantity ordered, production schedule & delivery location. Slab Disclaimer: this color in SLAB format is special order with a quantity requirement of 12 slabs minimum in order to safely pack and secure the slabs during the shipping journey. There is NO minimum for any tile sizes. Need less than 12 slabs? Please provide us with exact dimensions of what's needed. We can custom cut the slab to size in order to fit the material in a secure crate and avoid any breakage while shipping. For any further clarification or questions, please feel free to contact us directly.

TRIMS

All available bases and coping are available in any size and thickness upon request.

FORMAT + THICKNESS

Slab | 1/2 - 3/4 - 1.25
Tile | 1/2 - 3/4 - 1.25

Thickness is determined by product size and format. Sizes larger than 24x48 typically require a minimum thickness of 3/4".

1/2" Thickness is only recommended for wall applications.

Most of our tiles are rectified and micro-beveled, however we recommend confirming with us prior should this be a necessity.

Marble is a naturally occurring material sourced from mother nature herself. A range of character and color variation is to be expected and is a part of its inherent beauty. Nasco is well-known for its hands on approach during the sourcing process to properly control this range and variation so that the material not only maintains design integrity but also its inherent natural beauty.
