\* Lead time is approximate and can vary based on quantity ordered, production schedule & delivery location.

**Remarks**

**Disclaimer:** Product images may appear different than actual true color. Samples are to be used as a general guide as color tonality can deviate depending on the current production run. Samples are strictly aimed to show color and should not be used to determine edge conditions or sizing. If a product contains a large range of color or character, we recommend seeing a full size piece as well as looking at the installed project photos prior to purchase.
