Greenguard Certification

Stone+Tile

Our products are **GREENGUARD** Certified. The **GREENGUARD** Certification Program™ is internationally recognized for evaluating product emissions and certifying building materials, furnishings, finishes and cleaning products and processes that meet stringent indoor air quality criteria defined by **GREENGUARD** Environmental Institute (GEI). Products undergo rigorous, third-party testing to determine their impact on indoor air pollution with requirements for ongoing verification.

The **GREENGUARD** Environmental Institute recently announced that all flooring products certified to the stringent **GREENGUARD** Children & Schools™ standard can earn valuable LEED™ credits across multiple building rating systems. We have more than 70 flooring products certified that can help earn up to four (4) points under the low-emitting material credit (EQ 4.3).

Certifications are available upon request.
